America's Night Out Against Crime

The Avenues NNO PORCH SOCIAL - August 3

Did you know you can help fight crime in our neighborhood just by keeping an outside light on at night and getting to know your neighbors? The Cayce Avenues Neighborhood is joining thousands of neighborhoods for **America's National Night Out Against Crime** on **Tuesday, August 3rd**. To participate, on August 3, invite a few neighbors to join you around sunset on your front porch.

Keep your lights on -- and don't forget to wave as your neighbors drive by!
